

Software Developer - 3rd Party Integration, REST API (m/f/d)

RESEARCH & DEVELOPMENT | FULL TIME | IMMEDIATELY | HAMBURG

Your tasks

ePages is a leading provider of online shop software. We are looking for a mid-level developer to join our tech-savvy Scrum team in Hamburg. You will be mainly responsible for:

- Designing, developing and maintaining our connectors that link the online shop platform to third party systems, such as payments, deliveries, product portals, marketplaces, seals and ERP clients
- Maintaining and extending our REST API, as well as collaborating with the Technical Writing team to document the API
- Maintaining our Solr-based product search

Your profile

- 2-3 years of professional experience in software development
- You have project experience using Java or other OOP languages
- Experience in Scripting languages, e.g. Perl, PHP, Python
- Familiar with or have knowledge of REST API and Apache Solr
- Good understanding of Linux
- You are a team-player who likes to communicate, as well as passionate about technologies and open to learn new languages
- Fluent in English both written and spoken

Nice to have

- Experience in a typical client-server communication
- Knowledge of client-side technology like JavaScript
- Knowledge or experience with HTML, CSS
- 3rd party integration project experience

- Familiarity with Jenkins
- Passionate about Test Driven Development and clean code

What we are offering you

- Subsidies for transport card, lunch vouchers, private internet usage, and Employer Pension Fund
- Individual training budget for conferences, workshops, barcamps, language course (German/English)
- Assistance with relocation or visa application
- Flexible working hours and real work-life balance
- Laptop for work and private use (Mac/Linux/Windows)
- Agile work environment, flat hierarchy, and quick decision-making
- An international team from more than 15 countries, company language is English
- Team events: internal hackathon, board games, ePages YOU, and many more
- Weekly Yoga class during lunch break
- Free ePages online shop
- Centrally located offices with excellent public transportation
- Fresh fruits and drinks

How to apply

Is this the job you are looking for? Then just click on “Apply now”.

In addition, we would like to get an impression of you in action, therefore please send us proof of work, such as a link to some your projects, or better, open source work such as GitHub or Stackoverflow.

If you have any questions, just send an email at hr@epages.com or call +49 40 350 188 0.

We are looking forward to getting to know you!
