

Ruby Developer (m/f/d)

RESEARCH & DEVELOPMENT | FULL TIME | IMMEDIATELY | HAMBURG

Your tasks

As part of our Tools team, together with Scrum Master and Product Owner, you are responsible for the development and maintenance of our crucial in-house tools, such as Reseller Onboarding and Shop Management Tool, ePages Dev Portal, and Sales Analytics App. You keep up to date with the latest technology trends and utilise your know-how in improving the efficiency, availability and scalability of these internal systems.

Your profile

We are looking for a developer with a great deal of independence and self-organisation. You will be given a significant level of responsibility and space to be creative. Does this sound like you?

- Web and software development experience
- You are skilled in Ruby, Rails, JavaScript, PostgreSQL
- You are a GitHub pro
- You love to code and fond of clean code principles
- You are open-minded to learn new technologies
- An autonomous worker and can work under limited guidance
- Being a team player who likes to communicate

Nice to have

- Familiar with CoffeeScript
- Familiar with Jekyll
- Knowledge about HTML, Slim, CSS, SASS
- Testing tool like Rspec

What we are offering you

- Subsidies for transport card, lunch vouchers, private internet usage, and Employer Pension Fund
- Individual training budget for conferences, workshops, barcamps, language course (German/English)
- Assistance with relocation or visa application
- Flexible working hours and real work-life balance
- Laptop for work and private use (Mac/Linux/Windows)
- Agile work environment, flat hierarchy, and quick decision-making
- An international team from more than 15 countries, company language is English
- Team events: internal hackathon, board games, ePages YOU, and many more
- Weekly Yoga class during lunch break
- Free ePages online shop
- Centrally located offices with excellent public transportation
- Fresh fruits and drinks

How to apply

Is this the job you are looking for? Then just click on “Apply now”.

In addition, we would like to get an impression of you in action, therefore please send us proof of work, such as a link to some your projects, or better, open source work such as GitHub or Stackoverflow, BitBucket, etc.

If you have any questions, just send an email at hr@epages.com or call +49 40 350 188 0.

We are looking forward to getting to know you!
